PROFILE

Economist and university educator with a PhD in Economics nearing completion (University of Portsmouth) and substantive teaching experience at undergraduate and postgraduate levels in both the UK and Pakistan. Subject competence spans microeconomics, macroeconomics, applied economics, and econometrics. Experienced in delivering engaging, inclusive, and intellectually rigorous instruction to diverse and international student cohorts, including students from varied academic traditions and cultural backgrounds. Active research in development economics, energy poverty, machine learning, and global supply chain networks directly informs a sustainability- and technology-oriented approach to economics education. Currently enrolled in the Postgraduate Certificate in Higher Education (PGCert HE) at the University of Portsmouth CADI, accredited against Advance HE's Professional Standards Framework (PSF 2023) and leading to Fellowship of the Higher Education Academy (FHEA). Also holder of GPROF (2026).

TEACHING EXPERIENCE

Sessional Teaching Fellow — University of Portsmouth 2023–2024

- Delivered undergraduate and postgraduate seminars and tutorials in Microeconomics, Macroeconomics, and Applied Economics to diverse international cohorts.
- Designed, set, and marked assessments to UK Higher Education standards, providing structured written and verbal feedback.
- Supported module administration, student guidance, and contributed to module review processes.
- Developed inclusive learning materials incorporating contemporary research examples and real-world policy applications.
- Utilised blended learning approaches, combining face-to-face and virtual delivery via Moodle (VLE).

Visiting Faculty — Quaid-e-Azam University, Islamabad 2019–2021

- Taught Fundamentals of Economics to undergraduate cohorts; designed course materials, delivered lectures and seminars.
- Set and marked assessments; supervised student research projects; provided ongoing academic support.
- Contributed to curriculum planning and departmental teaching quality discussions.

EDUCATION & QUALIFICATIONS

PhD in Economics — University of Portsmouth, Faculty of Business and Law *Expected 2026*

- Thesis: Child Education and Energy Poverty in South Asia: A Capability Approach Perspective.
- Empirical methods: panel data, IV/2SLS, machine learning, explainable AI, network analysis.
- All empirical analysis completed; thesis in final writing stage. Expected submission: late 2026.

Postgraduate Certificate in Higher Education (PGCert HE) — University of Portsmouth, CADI *enrolled (September 2026)*

- Level 7 postgraduate qualification (30 credits, Module 1); accredited against Advance HE's Professional Standards Framework (PSF 2023).
- Module 1 ("Teach Well: Principles to Practice") confers Associate Fellowship of the Higher Education Academy (AFHEA, D1); full PGCert HE confers Fellowship (FHEA, D2).

GPROF — Graduate Professional Development in Teaching & Learning — University of Portsmouth *2026*

- Certified six-part programme covering curriculum design, inclusive pedagogy, assessment strategy, student engagement, and reflective practice.
- Provides foundational CPD in HE teaching practice; supplements formal PGCert HE qualification (above).

MS Economics — International Islamic University, Islamabad *2018*

- Dissertation: Education, Labour Force Participation, and Economic Growth: Panel Data Evidence.

Doctoral Coursework in Economics — Pakistan Institute of Development Economics (PIDE) *2018–2020*

- Advanced training in econometrics and development economics; competitive scholarship; discontinued due to COVID-19.

MA Economics - University of Karachi, 2010. Silver Medal - 2nd Position in Economics.
